SUMMARY

Eager to apply technical knowledge, problem-solving abilities, and communication skills to troubleshoot technical issues, assist customers, and contribute effectively in a learning-oriented work environment.

EDUCATION

Shivajirao Kadam Institute of Technology and Management (SKITM), Indore

B.Tech – Computer Science Engineering, Current Semester: 6th | CGPA: 6.24 *Expected Graduation: 2027*

PROJECTS

STUDENT MANAGEMENT SYSTEM | Technologies: python, html, CSS, JavaScript, MySQL

- Developed a Student Management System to efficiently manage and maintain student records.
- Implemented features to add, update, delete, and search student information.
- Used database concepts to store and retrieve student data efficiently.
- Performed testing and debugging to identify and resolve errors in the application.
- Improved practical understanding of programming, database management, and problem-solving through the project.

TECHNICAL SKILLS

Programming Languages: Python

Database: SQL, MySQL

Core Computer Science: Data Structures, DBMS, Operating Systems, computer Networks

Web Technologies: HTML, CSS, JavaScript

Tools: Git, GitHub, Visual Studio Code

Technical Skills: Troubleshooting, Debugging, Problem Solving, Basic Networking

IT Support: Basic Hardware & Software Troubleshooting, Application Installation, System Configuration, Technical Issue Diagnosis

RELEVANT STRENGTHS

- Technical troubleshooting and problem solving - Logical thinking and debugging - Quick learning and adaptability - Basic understanding of IT systems and applications - Good communication and user-support approach - Ability to understand and resolve technical issues systematically

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge.
